Letter No. C. 97/38-39 dated 8-9-38 from the President, Dt Board, Tumkur requesting reversion to the proposal of the Board to send its President as a delegate to the II All India L.S.Sg Conference to be held at Calcutta in December next.

Letter dated 16-9-38 from Mr. D. S. Mallappa, Member, Tumkur Dt Board requesting that, in the circumstances explained, the proposal to send the President as a delegate to the Conference may not be sanctioned.

2) The facts of the case are briefly as follows:-

The Tumkur Dt Board had to elect a delegate to the All India L.S.Sg Conference to be held at Calcutta in December next. Instead of convening a meeting of the Dt Board for the purpose, the President Dt Board, Tumkur sent round a notice to all the members that it is

proposed to send the President himself as a delegate to the Conference and requesting them to intimate whether they are agreeable to the proposal by return of post failing which it would be taken as granted that the Members agree to the proposal. Out of the 37 Members, 6 replied agreeing to the proposal while 4 Members replied proposing Mr. D. S. Mallappa as a delegate to the Conference and the rest did not reply at all. The President, Dt. Bd states that the majority (6 against 4) are agreeable to the proposal suggested by him.

3) Mr. D. S. Mallappa has taken objection to the procedure adopted by the President Dt. Board, Tumkur in electing a delegate and has requested that the proposal of the President may not be sanctioned and that he may be directed to hold an election at the next meeting of the Board so that opportunity may be given to all the Members of the Dt. Board.

4) The point for consideration is whether the procedure adopted by the President

The President, Dt. Board, Tumkur has stated that the subject was placed before the Board at the meeting held on 13th August 1938 but was deferred for want of some information. The next meeting of the Board is arranged to be held on 12.11.1938 and the decision of Government as requested by the K.S.S. Conference at Calcutta could well have been obtained at this meeting.

5) Section 29 of the Dr Boards Act lays down the procedure to be adopted for the Conduct of business at meetings of District Boards There is no provision therein for the disposal of Dr Board business by Circulation (as has been done in the present case.) A regular meeting has to be held for disposing of subjects after giving 14 days' notice in the case of an ordinary meeting and 10 days' notice for a special meeting.

6) The Conference is to be held only in December next and there seems to be no particular hurry to elect a delegate. As a meeting of the Board is to be held in November, the President Dr Board, may perhaps be informed that this ~~matter~~ subject may be included in the agenda for the next meeting and disposed of in the usual course.

THE DEPUTY COMMISSIONER,

Sir,

With reference to your memo No. L. 1208-26 dated the 6th August 1938 forwarding a copy of your letter No. L. 1207/L.B.63-38-2 of the even date in the matter of deputing delegates by the Local Bodies to the Second All India Local Self Government Conference to be held at Calcutta in December 1938, I have the honour to state that the subject was placed before the Board at their meeting held on the 13th August 1938 and was deferred for reference from the Executive Secretary as to the dates of the Conference etc. The said Executive Secretary in his letter of the 12th idem (received here on 16-8-1938) requested to be intimated very early of the name and address of the delegate by this Board to enable him to take further action. The next meeting of the Board was fixed to 12-11-1938 at their meeting held on the 13th ultimo. It is needless to state that there would be very little time after that date to obtain sanction of Government and thereafter intimate the Executive Secretary. Hence the subject of electing the President of the Board as a delegate and of meeting the travelling allowance and Delegation fee from the -- Funds of the Board was sent to the Members for opinion and it was also mentioned therein that if a reply was not sent by any it would be taken for granted that he is for the proposals.

Out of the 37 members, 6 replied agreeing to the proposal 4 replied proposing Mr. D. S. Mallappa as a delegate and the rest did no furnish their opinion and they must be taken to have agreed to the proposal of delegating the President and to meet costs. Hence the proposals are agreeable to the majority.

Under

Under the circumstances, I request that sanction to the proposals of the Board to send the President of the Board as a delegate to the Second All India Local Self Government Conference to be held at Calcutta during December 1938 and to meet the travelling allowance and Delegation Fee from the Funds of the Board may kindly be sanctioned.

A copy of the notice containing the proposals issued to the Members is herein enclosed for reference.

I have the honour to be,

SECOND MEMBER OF COUNCIL,

No. M.J.2

S i r,

A delegate had to be chosen on behalf of our Tumkur District Board to the Second All India Local Self-Government Conference to be held in Calcutta during December next. For that the rightful procedure should ~~be~~ have been to call for applications from intending candidates and hold an election. That is the method adopted by all local bodies and also legislative bodies of the state. In the agenda of the last meeting of The Tumkur District Board, - there was a subject about selection of a delegate to the above named Conference on behalf of the Tumkur District Board Instead of getting ~~xx~~ a candidate selected, the President of the District Board got the subject deferred for want of proper information about the matter from the Executive Secretary of the Conference. After receipt of proper information, the proper procedure was to get a delegate selected at the next meeting of the Board. Instead of that on 30/31st August, the President sent round a notice from the District Board Office stating that he had since heard from the Executive Secretary of the Second

not to approve him as a delegate on behalf of the Tumkur District Board to the Conference and direct him to give opportunity to all the members of the District Board, by holding an election at the next Board meeting which will meet at the middle or end of next month. As the Conference is to be held at the latter part of December next, there is ample time to get a delegate properly chosen by the District Board of Tumkur. I hopp, Sir,you will please see your way to interfere in the matter in the interest of the privilege of the Board and direct the adopting of proper procedure to select a delegate who commands the real confidence of the Board.
